

Please Join Us in Celebrating Diversity in Maine

and raising scholarship funds for refugee and immigrant youth

Chance to Advance, a non-profit organization that strives to highlight and promote the diversity that exists in the State of Maine and beyond, will produce its six annual *Celebrating Diversity in Maine* calendar for 2024. This full-color calendar features the inspiring stories of refugees and immigrants from all over the world who now call Maine home. A wonderful teaching tool, the calendar also shares interesting facts about the home country of each person featured.

The 2024 Calendar, created in partnership with Catholic Charities' Office of Maine Refugee Services, will go on sale at a Launch Party in November and will

also be available for sale online (ChanceToAdvanceME.org) and through community partners. Proceeds raised fund scholarships for refugee and immigrant youth who are pursuing their secondary education in Maine.
